Have a Glorious Easter!

With much love from The McDaniels Family

Since we missed writing to you at Christmas, we decided Easter greetings were in order. As you can see, our biggest news is that we have a new addition! Kaitlyn Eleanor joined our family on October 29. She is such a precious sweet gift from the Lord and we are all enjoying her immensely! If you'd like to see more pictures of Kaitlyn and of the children, please visit our website, www.manymcdaniels.com. Other news from 2007 is that in March Chris was promoted to Assistant Field Office Director for the Chicago Field Office (he's still with DHS/ICE). While he no longer travels the globe, his work keeps him very busy, often around the clock. On the homefront, homeschooling continues, along with "simply" running the home and raising children. We look forward to graduating two students this year! If you're wondering why we didn't write or send a photo at Christmas...it was all Heather's fault! She came down with chicken pox at the end of November shortly before we were to take our family photo. Two weeks later, all the rest of the children broke out, including Kaitlyn! By the time the poxes were cleared up we started to get colds and bronchitis which lasted through most of January and February. It's been a long winter. Snowfall has been tremendous (5th on record). It actually snowed lightly today when the forecast called for rain! While we enjoy the winter and the snow, we are thankful that Spring is coming soon! Our email is still clmcm@sbcglobal.net. Please write as we'd love to hear from you!!

Many blessings to you this Easter,
Chris, Cindy and the children
